A. Formulary Planning Meeting

No updates at this time.

B. Quality Assurance Plan/Indicators

Dawn: Channel sent me a report about the indicators. I have not had a chance to review it or narrow down the indicators. Once I do, I will send out to Monica to send to everyone.

Steve: Thank you. Sometimes that report is so large, it is difficult to find what you are looking for. So that would be great if you can do that.

C. Care Connection

Dawn: For the month of:

-April: Total of 13 linked into care, 10 previously positives and 2 were newly diagnosed. Everyone was enrolled into care.

-May: Total of 22 linked into care, 19 previously positive, and 2 newly diagnosed. All were linked into care and 6 enrolled into Ryan White.

-June: Total of 19 linked into care, 16 previously positives, 3 new positives. All were successfully linked into to care.

Dawn: The continuum of care is being routed through Tallahassee and will be sent out once approved.

D. Other Updates

Steve: Are all case manager slots filled now?

Dawn: No, we still have 2 in St. Lucie and 1 in Martin county open. The managers are working in both counties to make sure the services continue.

Dawn: We had our statewide meetings. We discussed the RFA in regards to changing the consortia region. That has been put on hold. My guess is that nothing will happen this year but may happen next year. The state has requested guidance from HRSA.

5. Open Discussion

It was voted among the committee to cancel July's meeting and to meet in August.
